The Committee shall periodically report to the Board decisions taken in exercise of powers conferred herein and the results of reviews undertaken and any associated recommendations.

5. Authority

The Committee shall have all power and authority necessary or desirable to fully and effectively discharge its mandate hereunder and, in that connection and without limitation, the Committee may:

(1) Investigate any corporate activity, in any area, that the Committee considers necessary or advisable, and, for such purposes and the performance of its other responsibilities, the Committee shall have unrestricted access to all personnel records of High Arctic, the auditors and all other advisors to High Arctic and, from time to time, may require the Chief Financial Officer to report to the Committee;

(2) Make any recommendation to the Board, as it considers necessary or advisable, in respect of matters within its mandate, provided, however, that where the Committee intends to make any such recommendation, the recommendation shall first be presented to the Lead Director and, in respect of financial matters, to the auditor for comment before being communicated to the Board, unless the Committee concludes that such action would not be in the best interest of High Arctic and/or the shareholders; and

6. Limitation

The foregoing is (i) subject to and without limitation of the requirement that in exercising their powers and discharging their duties the members of the Board act honestly and in good faith with a view to the best interests of the Corporation; and (ii) subject to and not in expansion of the requirement that in exercising their powers and discharging their duties the members of the Board exercise the care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances.

While the Committee has the responsibilities and powers set forth herein, it is not the duty of the Committee to prepare financial statements, plan or conduct audits or to determine that the Corporation's financial statements and disclosures are complete and accurate and are in accordance with International Financial Reporting Standards ("IFRS") and applicable rules and regulations. These are the responsibilities of Management and the external auditor.

The Committee, the Chair of the Committee and any Committee members identified as having accounting or related financial expertise are members of the Board of Directors, appointed to the Committee to provide broad oversight of the financial, risk and control related activities of the Corporation, and are specifically not accountable or responsible for the day-to-day operation or performance of such activities.

Although the designation of a Committee member as having accounting or related financial expertise for disclosure purposes is based on that individual's education and experience, which that individual will bring to bear in carrying out her or his duties on the Committee, such designation does not impose on such person any duties, obligations or liabilities that are greater than the duties, obligation and liabilities imposed on such person as a member of the Committee and the Board of Directors in the absence of such designation. Rather, the role of a Committee member who is identified as having accounting or related financial expertise, like the role of all Committee members, is to oversee the process, not to certify or guarantee the internal or external audit of the Corporation's financial information or public disclosure.
