

Rentals Technician

Onsite - Rentals - Full time

Location-Red Deer, Alberta

Description

Welcome to High Arctic Energy Services! With a rich history spanning over 30 years in the oil and gas industry, we pride ourselves on fostering a collaborative environment where you can thrive.

We are looking for a friendly Rentals Technician to join our energetic team!

As a Rentals Technician, you will play a vital role in ensuring that all rental equipment is well-maintained and ready for our clients. Here is what you can expect:

- Inspecting and servicing rental equipment regularly to maintain quality standards.
- Preparing and delivering equipment to job sites, ensuring everything is organized and working properly.
- Providing excellent customer service and support to our clients while answering their equipment-related questions.
- Maintaining accurate records of equipment usage and ensuring everything is tracked properly.
- Collaborating with the team to meet deadlines and ensure smooth operations.

Requirements

- High school diploma or equivalent.
- Experience in equipment maintenance or rentals is a plus, but we are happy to train the right person!
- Basic mechanical skills and a willingness to learn.
- Effective communication skills and a friendly attitude towards clients and team members. Ability to lift heavy equipment and work in various outdoor conditions.
- Valid driver's license (Class 5 or higher) with a safe driving record.
- Reside local to Red Deer office.

Benefits

What We Have to Offer

- Competitive compensation packages
- A talented team to work with

If you have any questions about your application or the position, please email HR@haes.ca
